

Both structurally and financially, Ditch Witch®

Walk-Behind Trenchers are as solid as they

come. They're built with heavy-duty frames and

components, so they stand up to the toughest

conditions. At the business end of the machine,

where the main wear and tear takes place, genuine

Ditch Witch digging systems provide unbeatable

durability and performance. And they're backed

by the solid support of the worldwide Ditch Witch

dealer organization. Add it all up and you'll see

that Ditch Witch walk-behind trenchers are your

best financial investment.

WE'RE IN THIS TOGETHER.

### WALK-BEHIND TRENCHER PARTS, ACCESSORIES AND SUPPORT:

### **TRAILER**

Featuring a durable, high-strength axle and a steel deck, the Ditch Witch® S2B single-axle trailer is designed specifically for our walk-behind trenchers. Standard features include ramps for easy loading and unloading, tie-down points, tongue safety chain, and a complete lighting system.

#### **ELECTRONICS**

Before you dig, you must know what's below. After you call 811 to locate buried telephone, CATV, power, gas, or water lines, there's a Ditch Witch locating system to help you verify the locates. From our lightweight, hand-held units to the exceptionally versatile and accurate UtiliGuard™ locating system, Ditch Witch locating systems help improve your efficiency and, more importantly, your safety.

#### **DEALER SERVICE AND SUPPORT**

Whether it's new or used equipment, parts, service, financing, or all of the above, your Ditch Witch dealer is prepared to offer you the best of everything. Ditch Witch dealers are chosen for their commitment to the underground construction profession, and they are thoroughly trained to represent the highest standards in the industry.

#### **GENUINE DITCH WITCH PARTS**

Your Ditch Witch dealer is your single source for all of the parts you need, including superior-quality digging systems. Ditch Witch chain, specially manufactured headshaft sprockets and digging teeth are designed to work together as a system to provide unparalleled trenching performance.
