

# **DW50**

# **Wheel Dumper**

# Optimized for maximum safety and performance

An optimized skip format for even greater water volume and minimized risk of damage when loading and unloading with the excavator bucket, as well as a variety of details that clearly make it outstanding in terms of comfort and safety, make up the DW50. The operator benefits from many storage options, some also lockable, and safety features such as cameras in both directions, rear LED lights incl. dynamic turn signals as well as cruise control and a large clear display. This makes safe work fun.

# Highlights

- Seat belt monitoring
- Speed regulation system
- Sturdy skip guard
- Rear LED lights incl. dynamic turn signals
- Auto-stop function
